STEP 4: ACCESS THE ALTSPACEVR APP VIA HEADSET

You’re getting close! The next step is to open the AltpaceVR app with the Oculus headset and controls. Follow these steps to guide you through accessing AltpaceVR and get one step closer to accessing your event. You can also check out this quick 1-minute video tutorial for instructions on accessing AltpaceVR via headset.

1. Start by going in the upper right-hand corner and click SEARCH
2. Type “ALT” and hit GO
3. Once it finds the AltpaceVR app, click the icon and press OPEN
4. AltpaceVR will now load and open - this may take awhile
5. To EXIT AltpaceVR, click Settings, then the red EXIT button on the lower left-hand corner
