

Lesson 11 Are You Ready For the Final?

What to Do

After reviewing the practice exams and study guides, do you feel prepared for the final exam? If so, what helped you feel most prepared. If you are still uneasy, what would help make you feel more confident? A review of some lesson videos, another study guide, or just some old fashion encouragement from your classmates. Let us know.

Post a quick paragraph (3-4 sentences). Let us know how you are feeling going into our last module and the final exam.
