STEP 4: ACCESS THE ALTSPACEVR APP VIA HEADSET

You're getting close! The next step is to open the AltspaceVR app with the Oculus headset and controls. Follow these steps to guide you through accessing AltspaceVR and get one step closer to accessing your event. You can also check out this quick 1-minute video tutorial for instructions on accessing AltspaceVR via headset.

1. Start by going in the upper right-hand corner and click SEARCH

2. Type "ALT" and hit GO

3. Once it finds the AltspaceVR app, click the icon and press OPEN

4. AltspaceVR will now load and open - this may take awhile

5. To EXIT AltspaceVR, click Settings, then the red EXIT button on the lower left-hand corner
