

VIRTUAL SPACE ONBOARDING INSTRUCTIONS

STEP 5: CREATE ALTSPACEVR USER ACCOUNT

Last but not least, you will create your AltspaceVR user account and explore the beginner tutorials! Make sure to take note of your Username, as you may need to provide NCAT with that information for attending certain events.

[Use actual name for Username,
so others in the virtual space
know who you are]

1. Search for AltspaceVR and click OPEN
2. Popup will appear, click START TUTORIAL
3. Click SIGN UP and enter in your account details
4. Click CREATE and wait for it to process your information
5. Congrats - you are ready to use AltspaceVR!
